### Notice of Your Right to Participate in the Lakeview Public Schools 403(b) Plan

In compliance with the requirements of final 403(b) regulations and the universal availability requirements of Section 403(b)(12)(A)(ii), we are pleased to notify our common law employees of the availability of a 403(b) plan in which voluntary salary reduction contributions can be made.

Following are the details of our 403(b) plan, and the eligibility of our employees who wish to participate:

1. All part time and full time common law employees (no leased employees and no independent contractors can be permitted to participate) are eligible to participate except for any classification so indicated below:

- All employees are eligible to participate with the exception of any employee that will not contribute more than \$200 per year.

2. Employees are permitted to submit salary reduction agreements to the payroll department at any time allowed by the district. The requested salary reduction contributions will begin at the first monthly payroll period following receipt of the salary reduction agreement, and catch up contribution calculations (for employees who are utilizing catch up contributions). **Employees are also reminded that the proper annuity account or custodial account application will need to be established prior to receiving the requested contributions.**

3. The following information is available to aid employees in participation in the 403(b) plan:

- a) A list of the authorized providers can be obtained from the Lakeview Public Schools Business Office located at 27575 Harper Avenue, St. Clair Shores, MI 48081, (586) 445-4000 or on our web site at [www.lakeview.misd.net](http://www.lakeview.misd.net)
- b) Salary reduction agreements can also be obtained from the Lakeview Public Schools Business Office or through your 403(b) financial advisor.
- c) The proper application and other contract paperwork can be obtained through the provider or a representative of that provider.

4. Salary reduction contributions can be made to the extent of the lesser of 100% of your includible compensation or \$18,000 (in 2017, as indexed) to *all elective deferral plans in which you participate*. Additionally, the plan permits the following catch up contributions to be made by eligible employees:

- \$6,000 for employees that are age 50 or older by the end of the current tax year
- \*\* up to \$3,000 for employees that have worked 15 or more years with this employer by the end of the current tax year (provided the affected employee has not contributed, on average, \$5,000 or more for each prior year of service, and provided the additional amounts used under the increased limit have not reached \$15,000 or more).

\*\* This catch up contribution is permitted only if a calculation is submitted with the salary reduction agreement confirming eligibility.

5. Salary reduction contributions are permitted to be made on a pre-tax basis.
