

Welcome Parents!

EZ Pay provides parents an on-line system to pay your child's student fees, activity fees and add to their lunch accounts. You may use your credit/and or debit card **only** for the transaction.

Parents who use the on-line system must first create an account. No personal information about your student is available online. You will need your child's nine digit student ID number located on PowerSchool, under grades and attendance. The district does not keep your credit card information on file and you will need to re-enter your credit card # each time you access the online system.

You can access the new on-line payment website by 1) visiting your school's website or 2) going to www.spsezpay.com/Lakeview. Complete the registration page, and add your child's names and PowerSchool ID number. Once you have registered and created a password you will not need the student ID number again. You can check your child's account balances as long as you have access to the internet. You will also receive low lunch balance emails. Please be sure to allow SPS EZpay into your email, otherwise it will be considered spam and will go into your junk box. Lunch payments are updated in Meal Magic every 15 minutes. All other payments will be updated to that account within 24 hours.

Questions may be directed to your child's school or 1-866-MyEZpay (866-693-9729) or email at info@spsezpay.com. Payments made online will be credited by the end of the next business day. There is a no charge to use this system.

We hope this will make payments easier and more convenient.

Sincerely,
EZ Pay
